

PUBLIC NOTICE

Please be advised that Ground Investigation works between A259 Comet Road and Bridge Road roundabout will soon begin on 9th October 2023 for approximately eight weeks. Most of the work will take place at night under temporary traffic lights.

To minimise travel disruption, the off-road work will take place during daytime without requiring the use of temporary traffic lights. The contractor has advised that any noise generated by the works should not be an issue and Arun District Council's Environmental Health team has been made aware. In some areas, the contractors will need to clear some vegetation for access purpose, and the clearance work will be supervised by an ecologist. We wish to apologise for any inconvenience caused.

Please note that these works are weather dependant and may be cancelled at short notice, but we will endeavour to inform you should there be significant changes to the programme.

Scheme Location	Date (from and to)	Timing of Closure
A259 Bognor Regis to Littlehampton Corridor between Comet Road and Bridge Road roundabout. West Sussex.	Monday 9 th October 2023 for approximately 8 weeks	19:00 – 06:00 (when required)
